The honor of achieving the rank of Eagle Scout is truly a momentous occasion for James Reid and his family and has come as a result of his diligence and hard work. I thank James for representing St. Charles and the State of Missouri in such an exemplary manner.●

TRIBUTE TO JOHNNY WILSON

● Mr. KENNEDY. Mr. President, today I take a moment to honor the extraordinary accomplishments of a young citizen from Massachusetts, 10-year-old Johnny Wilson. Last October, Johnny set a world record as the youngest person ever to swim from Alcatraz Island to Aquatic Park in San Francisco, a distance of 1.4 miles. It was an impressive accomplishment in and of itself, but Johnny's swim had far greater meaning and purpose than setting a record. For every quarter mile he swam, Johnny collected pledges for disaster relief for the victims of Hurricane Katrina, and his swim produced over \$150,000.

Johnny first got the idea from a family friend, Rick Murray, an Iron Man triathlete, who suggested the idea after noticing Johnny's strength as a swimmer and offered to be his coach. Johnny spent over a year in training, swimming 10 miles a week in pools during the school year and in the ocean near Hyannis Port during the summer. In addition, he spent 3 months training in the cold water of the San Francisco Bay to further prepare for the conditions of his swim.

Johnny first got the idea to use his swimming ability to raise funds last September, when his school began to emphasize efforts to aid the victims of Katrina. He and seven of his classmates rallied the local community, calling all the families they knew and asking for pledges for every quarter mile of the swim that Johnny would complete. By the day of the swim, these efforts had already yielded over \$30,000 in donations.

The swim began before sunrise at 6 a.m. last October 10. The large waves, freezing water, and the fact that he was the only child attempting the swim did not deter Johnny from diving in the water that morning. Flanked 10 feet on either side by adult safety swimmers and kayaks in case of an emergency, Johnny swam into Aquatic Park Cove 1 hour 6 minutes later to the cheers of his family, teacher, and classmates. Halfway through the swim, he stopped to warm his numbed limbs, but when asked if wanted to stop swimming, he said no and continued on his way. His commitment to himself and to the Katrina victims he wanted to help enabled him to deal with the long, cold waters to reach his goal.

The media attention to Johnny's swim and its admirable purpose increased his fundraising ability. Word of his mission spread in over 600 broadcasts in 20 countries and led to appearances on the "Today Show", "Oprah" and "CNN." The additional publicity helped raise \$20,000 more for Johnny's cause, as people throughout the country and around the world were touched by the strength of his spirit and heart demonstrated by this remarkable young man. In the end, Johnny was able to make an amazing contribution of \$51,000 to the Hurricane Katrina victims' fund of the Red Cross.

Able and caring young people like Johnny inspire a new sense of hope for the Nation's future. He demonstrated the difference that one committed person can make in bringing people together to touch the lives of others. I commend Johnny Wilson for his impressive achievement, his caring heart, and his wonderful contribution to the lives of those devastated by Hurricane Katrina. He represents the best of our country, and I wish him well in the years ahead.●
